Dt. 22.12.2021

Dear *Sir*,

Greetings from AMD! You may be aware that, AMD in association with Geological Society of India, Bengaluru will be organizing a **National Seminar** on “75 Years of Mineral Exploration and Future Challenges in India (MEFCI-2022)” related to mineral exploration techniques during post-Independence era as a part of commemoration of 75<sup>th</sup> Anniversary of India’s Independence - *Azadi Ka Amrit Mahotsav*.

The National Seminar is proposed to be organized in *hybrid mode*- both physical and virtual on 24 - 25 March, 2022. The seminar will feature keynote talks, invited talks along with oral and poster presentations in various technical sessions and will bring together a panel of highly accomplished experts in the field of Earth Sciences and Mineral Exploration industry/agencies. The proceedings of the seminar and selected full papers will be published in a special issue of the Journal of Geological Society of India in the month of August, 2022, after peer-review by the Editorial Board of the seminar and Geological Society of India. The brochure of the seminar is enclosed for your kind information (**Annex-1**).

In this context, it is requested to contribute research articles on the seminar theme(s) of your choice and depute geoscientists from your organisation/institute to participate the seminar and present their research articles. It may please be noted that the deadlines of submission of the abstract and the full paper are 31.12.2021 and 31.01.2022 respectively. The last date for registration is 28.02.2022.

I look forward to your encouragement and support in this endeavor, which will go a long way in ensuring the success of the seminar.

With best *regards*,

Yours *sincerely*,

(डॉ. दीपक कुमार सिन्हा) Dr. Deepak Kumar Sinha
