

SWEDEN INDIA 2021 NOBEL MEMORIAL WEEK

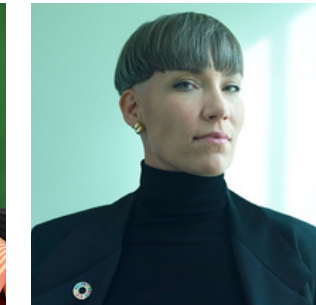

As part of the Sweden-India Nobel Memorial Week, we take pleasure in inviting you for SHE STEM 2021.

The event is organised by the Embassy of Sweden in partnership with Atal Innovation Mission, to celebrate women leaders in science, technology, sustainability and innovation from India and Sweden.

This year our speakers include women who are leading space missions, spearheading innovation and research and are part of cutting-edge technology designed for a more sustainable world. Please join us digitally live for SHE STEM on December 6, 2021, 2:30 PM to 4:30 PM (IST), via this [YouTube Link](#)
