

Sub.: Equipment and Spares Prioritization for the financial year 2022-23

The Equipment Prioritization Committee (EPC) will finalize the priority list of new equipment and spares under P-50 / P-07 for the financial year 2022-23 based on the requirement from Scientists to carry out R&D activities at CSIR-NML. The EPC is inviting the proposals from the Scientists through the respective Heads of the Divisions before 5:45PM. 1st May, 2022.

- i) Cost of the proposed equipment should be > Rs. 25L.
- ii) The proposer should indicate the country of OEM and Global Tender requirement.
- iii) Proposal would be considered with a recent budgetary offer before finalization of priority list.
- iv) The proposers should follow the recent guidelines as per the GFR
- v) Minimum partial funding (50%) of the estimated cost from projects and proof of such funding should be indicated in the proposal.
- vi) Equipment prioritized for FY 2021-22 and could not be booked, will be considered for FY 2022-23 with the concurrence of HoD.
- vii) Request after the due date of finalization will not be entertained.
- viii) Divisional Heads will be requested to provide the consolidated list from the divisional scientists by 5.45 PM, 1st May 2022.
- ix) The EPC will finalize the priority list by 15th May 2022.
- x) Each and every procurement will follow the laid down purchase rules and processes.

Chairman, EPC

(L. C. Pathak)
